Quarantine Queens: Celebrating Mom in True Royal Fashion

Mums across the country are being treated to a Mother's Day they won't forget.

April 30, 2021 – On May 9th, All Seniors Care Living Centres will overflow with love as they make a well-deserved fuss over mothers. Seniors in our retirement residences across Canada will be regaled this Mother's Day with a "Love You Forever" High Tea, followed by a virtual cycle around the breathtaking grounds of Buckingham and Kensington Palaces.

"One resident's daughter described her mother as a warrior. Someone who lived her life with strength and weathered hardship with grace", says, Ronna Goldberg, Event Planning & Community Engagement, "We think that all our women – indeed, all residents - have shown so much strength in the face of social-distancing measures that treating them like royalty for a day is easy."

With many sons and daughters unable to visit their mothers and grandmothers, we upped the ante on celebrations.

In a fun-filled event, moms will get their competitive on during "The Bloody Love You Forever Ring Toss" – an ASC Mother's Day tradition, they will plant flowers in Kensington Garden style, join an exercise class, and listen to musical entertainment. Each mom will receive a "love lock" to write a message of hope on. All while decked out in their finest and sporting "toppers" fit for a royal.

Even during a time of continued safety measures, Mother's Day is a celebration of unconditional love, affection, and trust: a time to celebrate the important women in our lives and to say thank you from the heart! Don't take a reign check, watch our [social media](#) on May 9th as we celebrate moms, while keeping them safe.
