All Seniors Care Embraces the Season

Autumn is about building connections – to each other, our community, and the world. As we bid adieu to summer and gear up for the change of seasons, we explore traditions and celebrate connections in a month that is teeming with special events and commemorative days. Mark your calendars; we're excited to share these moments with you!

This month promises enriching activities, heartwarming gatherings, and continued camaraderie in all our beautiful residences, starting with our traditional Labour Day BBQs. We then dive into the harvest spirit for a Potato Festival, celebrating this versatile vegetable in all its glory with games and crafts, music, and presentations. Mid-month, we'll be commemorating World Alzheimer's Day, taking a moment to raise awareness and express our support for those affected. And as summer draws to a close, we'll transition to the golden warmth of autumn with a Welcome to Fall Party.

We remain dedicated to ensuring a comfortable and engaging environment, no matter which location you call home. Let's savor the last summer warmth, the emerging colorful leaves, and the wonderful moments that we share.

Warren's Big Splash! Fund-Raising Event

Back by popular demand! Lakeridge Heights Retirement Residence's Executive Director Takes a Plunge for Alzheimer's on September 28th.

Warren's Big Splash was so successful last year that we decided to bring it back for World Alzheimer's Day 2023. The residence will be selling raffle and 50/50 tickets all month long, and for every \$500 donated, Executive Director Warren Van Vorst will make a SPLASH in the pool wearing a fun outfit and large floaty. Residents are invited to wear their best beach gear.

The Whitby, ON community is fiercely committed to raising funds that make a difference in the lives of people living with Alzheimer's disease and their caregivers. Help them reach their goal: to beat last year's donation total of \$1500! A member of the Alzheimer's Society- Alzheimer Durham will be attending the event.

Join Us for World Alzheimer's Day

Observed on September 21st, World Alzheimer's Day is an international campaign to raise awareness and challenge the stigma surrounding Alzheimer's disease and other forms of dementia.

As we strive to enhance understanding and provide unwavering support, we invite families and prospects to enlightening presentations that spotlight our specialized BLOSSOM Living curriculum and holistic Memory Care Lifestyle. This day isn't just about awareness—it's about embracing and celebrating the journey, together. Come, discover the dedication and compassion of our communities, and let us pave a comforting path for your loved ones with memory care needs.

Residents are encouraged to wear purple to show their support and attend presentations at their residence about Alzheimer's and other types of dementia. This year's theme 'Never too early, never too late', centres on key risk factors and risk reduction.

Resident Spotlight

Esther P, a resident at **McCarthy Place** in Stratford, ON, celebrates her **105th birthday** this month!!

Born in Lisbon – a hamlet in the Waterloo Region – we asked Esther the secret to long life. “Work hard and never give up, keep going, even when it’s tough”, she confides.

And she knows all about hard work. Esther was 9 years old when her father moved the small family to a farm. Not having any brothers, Esther did her fair share of work on the homestead. “You name it, I did it; I was the jack of all trades!”.

A home-based hairdresser for 35 years, Esther left the farm when she married, and had a daughter at 23 years old.

To say Happy Birthday, McCarthy Place is throwing a birthday bash, complete with her favourite desert - homemade chocolate cake.

Words of wisdom: As long as you have family and good friends, that’s all you need.

100th Birthday Club

Lorna A, Seine River – Happy 100th Birthday!

Doris J, Sturgeon Creek I – Happy 103rd Birthday!

Marjorie W, Victoria Landing – Happy 100th Birthday!

Pencils, Pens, and Inkwells

The first day of school is a rite of passage; do you remember yours?

For many older adults, the first day of school meant a new school bag, a No. 2 pencil, a brand-new pair of slightly oversized blue jeans with rolled-up pant cuffs, a hand-me-down shirt, along with a pair of black dress shoes that they would either grow out of – or grow into – before the end of the year.

No matter your age, it's a day full of emotions — excitement, anxiety, anticipation. At All Seniors Care living centres, **Tuesday, September 5th is Back to School Picture Day!** This means the chance of a back-to-school photobooth or creating an advice card to share with the grandkids.

It's also time to for residents to update their QOLA photo, so be sure to wear your best first day of school outfits!

To get you in the spirit, we've put together this list of Back-to-School Activities that you can do with the Grandkids:

How to Get Back into Exercise After 70

If it's been a long time since you've exercised and you're feeling less than fit, you might think that it's too late to make a change – nothing could be further from the truth.

Here are some great tips to get you back into the swing of things:

1. Understand why it's important to stay active.
2. Choose fun & interesting-to-you activities.
3. Join a group class – you might just have fun!
4. Incorporate movement into your everyday activities.
5. Start small – go for a short walk to visit a friend or join in a community outing.

For those days when you just can't get motivated, try the 10-minute hack: Set aside the next 10 minutes to exercise. You can set a timer if you want. Once the 10 minutes are up, decide whether or not you will continue. Nine times out of ten, people decide to keep going.

Terry Fox – Running to the Heart of Canada

In 1980, with one leg having been amputated due to cancer, Terry Fox - athlete, humanitarian, and cancer research activist - embarked on an east-to-west cross-Canada run to raise money and awareness for cancer research.

During the early days of the Marathon of Hope and right up until his death, Canadians sent cards and letters of support to the Winnipeg-born man who had become the symbol of hope for so many.

To honour his memory and mark the **2023 Terry Fox Run on September 17th**, residents at **Beacon Heights Retirement Residence** in Gloucester, ON will spend the day learning about his life and writing "Dear Terry" letters filled with messages of love, hope, inspiration, and goodwill. Older adults and their families will also be invited to a walk around their beautiful community.
